

# Standing Stone

## Sustainability Features

### Energy/Water Conservation

Standing Stone is replacing old showerheads and toilets with new, water efficient technology when replacements are needed. Park also is using compact florescent lighting.

### Biological/Ecological

The Park has a 69 acre lake that allows electric motors only.

### Community Engagement

For 30 years, Standing Stone has hosted Annual National Rolley Hole Marble Championship and Festival. This traditional marbles contest draws some of the country's best players to a tournament where players match wit and skills with special flint spheres on a smooth dirt surface. Festival includes kids' games, marble making, swap meet, tournament play, demonstrations, music and food. This one of a kind family experience has been featured by ESPN, ABC, Sports Illustrated, CBS, CNN, Smithsonian Institution, National Geographic, and Charles Schulz's Peanuts.

## Moving Forward

### Energy Conservation

The Park will be upgrading the landscaping at the campground.

### Did you know?

Standing Stone was named after a large rock that was a division marker for Indian hunting grounds.

## Park Highlights

- Located in Overton County
- Visited by over 600,000 people in 2011
- Over 8 miles of trails in park
- Park makes an effort to be available to park patrons to improve relations
